

TAYLERSON'S MALMESBURY SYRUPS

Summer 2008

New Product News

Christmas is coming. Well the brochures for Christmas are. Among all the tempting offers you will see are new flavours such as Ginger. It has taken some time in development but we are now ready to take orders. Following its mention on Ready Steady Cook we expect it to be popular too after the number of phone calls we received . Also new is Blackberry & Apple Flavour which went on sale at Booths Artisan store in Kendal. Recognised as one of the premier delicatessens we were delighted to be asked to supply. Blackberry & Apple uses Blackberry concentrate and a natural green apple giving great tasting syrup that is ideal on porridge, ice cream and natural yoghurt.
